Short Fish on PK

June 31st, 2011

This one will be short.

We had seven boats show up to fish Possum Kingdom in the heat. While most people caught plenty of fish, the 16" limit on PK proved tough for most of us. Brad Dunn and Shawn Kelsey brought in the only sack so their 5.98 lbs was enough for first, second, third, and big bass. Congratulations guys.

We have changed out September tournament date and will be fishing Ray Hubbard on 9/18 in order to allow our club to participate in the Fun & Sun Top 6 tournament. The Fun & Sun tournament will be held on 9/10 and 9/11 at Lake Richland Chambers.

Hope to see everyone at the next meeting and tournament. With the ongoing drought there will be sure to be some discussion on lake levels and our schedule for the remainder of the year. It would be nice to have as much input as possible at this meeting so please plan to attend if you can.
